Question #1: Is the Table of Contents required or can it be an optional item in the 25-page proposal?

Answer: Per the RFP, “the CONSULTANT’s cover letter/introduction, table of contents, any summaries, team organizational chart, past performance information, and any other responses to the evaluation criteria indicated in Part 2, Section III of this RFP should be included in the 25 pages.”

Question #2: What is the reason the project manager is required to be a Mississippi PE?

Answer: PE licensure is the most applicable industry-recognized accreditation to help ensure the project manager has the appropriate understanding of the engineering principles to lead the required analysis.

Question #3: Can the Mississippi PE requirement for the project manager be waived for this project?

Answer: No

Question #4: If the Mississippi PE requirement is due to the engineering service contract, is there another contract vehicle that could be utilized for this project?

Answer: See answer to 2nd question.

Question #5: If complete, can MDOT provide the draft Transportation Asset Management Plan that is due to FHWA on April 30, 2018?

Answer: The draft TAMP due on April 30, 2018 has not been finalized.
